Protocol: Andrew

Agenda (add your own points below)

1) Introduction of team members (quick 2min intro - who are you? why here?)

2) Pirate Times status (quick report from people present on what they have done lately)

Josef: two articles published + one more written. Prepared Greek part of PT, almost ready for translations. Found a work so will have much more time for PT once I find an apartment. Been busy writing book submission after TT214 and with PPSE elections.

Koen: nothing, sorry guys

Andrew: a few articles of my own and guest author - New Zealand elections and PPNZ prob lems intervening as expected

Patrick: PPNRW GA reelected Chair so busy with orga and legal stuff - election articles delayed but coming in one or two weeks - October 5th 5 years PPLU with Koen

3) Open tasks + follow-up on last meeting <https://piratetimes.pirtatenpad.de/team-meeting-02-09-14>

-proofreading

-api launch

4) Future of pirate-times?

-more focused on a few themes? elections and GAs

guest articles to continue - a route to becoming a team member - a submission form to make submitting articles easier

-recurring topics? - needs plugins Josef will talk to Björn - can be left to later - will help us be the main resouce for pirate information

-curation? -> For later once we get stuff running smoother

-replacement for Gefion - remind Gefion to write down her tasks/routines, then try to find someone by networking

-Write a 'jobs' section for PT detailing different propositions.

5) Bi-weekly newsletter

-We need someone to compile them after September since Pedro left

ask in team first then Josef and Andrew can share if noone found

6) 'Battles for democracy'

-Anyone willing to take over this weekly topic?
ask internally

7) Greek translations

4 translators - preliminary translations made - can move onto regular translations soon

8) Removal of Lexi Alexander's articles

- First time we removed an article
- How to act in future for "controversial topics" ?
warn authors and give opportunity to be anonymous

9) Upcoming/past events that need articles

- Swedish elections (Anton writing)
- 100+ #opengov groups in the call for legislatures to embrace #opendata Sep 15 -> <http://sunlightfoundation.com/openupyourlegislature/> -> Josef
- TTIP initiative <https://piratenpad.de/p/spread-anti-ttip-and-ceta-ebi> (pic for article in mail on mail-list) Andrew - too large a resource to work from in time available look for guest author
- TT214 Talks. Released on youtube now but bundled together... -> Josef will look at it
- Saxony Elections (past weekend) Andrew Some past articles about Saxony <http://piratetimes.net/?s=saxony&submit=Search> -> Josef wrote about this. Some things to clarify or we can just publish short article... -> Combine with Brandenburg Thuringen elections Andrew - email Patrick for fact check
- Ukraine has problems with a 2nd PP starting up (only to make profits and not according to pirate spirit) => needs proper research and confirmation if we write an article -> will forward info about it to Koen who will look into it.
- PPCAT GA (sun) -> Josef
- PPNZ elections -> Andrew
- Freedom not Fear international

10) Other questions

- admin meeting can fall out until membership increases again

11) Next meeting 22-09-14 (MON)
