Chairing: Lisa

Protocol: Josef

Agenda (add your own points below)

1) Introduction of team members (quick 2min intro - who are you? why here?)

2) Pirate Times status (quick report from people present on what they have done lately)

Andrew: Editing, writing and publishing Managed to work out how the new letter mailing list works and have started a handbook on the process. May need a replacement.

Back filling the wiki record of meeting minutes. Next newsletter due on 16th November

Josef: Created a plan for documentation structuring.

Been busy with work/moving/candidating. Moving tomorrow so should have a lot more time again now.

Lisa: swamped with work, trying to read up, full of ideas, but not quite ready to execute all yet due to time constraints.

Koen: Nothing PT related

3) Open tasks + follow-up on last meeting <https://piratetimes.piratenpad.de/team-meeting-2014-10-02>

- alternate to Google docs
- encrypted password database
- meeting between Lisa, Eva and Gefion (invite before next meeting)
- documentation

4) Upcoming/past events that need articles

- Brazil -> Do article on signature collections. contact Henrique Peer
- 5/10 PPLU 5-yr celebration and GA -> <http://piratetimes.net/wp-admin/post.php?post=31487&action=edit&lang=en&message=1> still open -> Too old
- PPI oGA -> Josef -> write about PPI's failure to engage their members? Prep meeting 26/10 was attended by 4 board members and 1 external person. Today's extra meeting (because of low attendance on first) was only two people attending (!)

- PPCZ follow up on full election results? -> Anton will do a 2nd article about it. reminded

Gregory, Rick, and Andrew Norton for history and elected candidates

- PPSE local elections follow-up of results (Anton, said he would write it beginning of next week) reminded
- write about <http://www.bitnation.co/ambassador-network#> ?! objective guestpost about bitnation by Susanne (pro) and Zacquary (con) (Lisa will ask them) (zacquary not against. Can ask Susanne even if it then might become a bit too subjective)
- Swarmops introduction by Rick Falkvinge? Maybe regular dev updates? (Lisa will ask him)

- Nov 6-7 Copycamp poland <http://copycamp.pl/en/info/what/> (afterwards: Josef)
- Nov 11 Cultural heritage (event by Julia Reda) - <https://www.facebook.com/events/1500160386902319> - <https://juliareda.eu/events/culturalheritage/> - <https://juliareda.eu/press/> -> we need to get better contact with Reda's office. We can write something after event = bring up on next meeting
- nov 29: 1st European Liquid Democracy Meetup <https://juliareda.eu/events/liquid-democracy-meetup/> let's discuss it on next meeting

5) Documentation structuring

Discussion was held on the following pad

<https://piratetimes.piratenpad.de/doc-structuring>

6) Other questions

Josef will look into a polling plugin for PT so we can poll members (possibly from within articles). First would be on PPI -> not done yet but will check later.

Picture- and Video-Archives of events per nations?
