**Agenda (add your own points below)**

**1) Introduction of team members (quick 2min intro - who are you? why here?)**

**2) Pirate Times status (quick report from people present on what they have done lately)**

Andrew: writing and publishing Nearly finished list of local Pirate politicians - waiting for info from PPCZ Waiting for Suzane and Rick Wrote documentation for the newsletter plugin. Added link to minutes from team page

Josef: Had some time off + some work stuff. Attended a conference with help of a PT press pass. Tried customized pages but can't solve it without technical help from someone that knows more

Lisa: trying to help a little here and there, contacted and reminded Rick about his Swarmops article. Contacted Björn about attending a PT meeting. Wrote article on PPNL hack.

pakki: after struggling with a lot of organizational stuff the last months, I will be back writing and supporting Pirate Times more often now. I have quite some ideas and projects, I'll already started with, e.g. an article about the regional elections in Northrhine Westfalia in may 2014 and a sort of series about organization of teams & boards with tools & structures.

**3) Open tasks + follow-up on last meeting**

<http://piratetimes.net/wp-uploads/news/2014/11/team-meeting-12-11-14.pdf>

- alternate to Google docs (to do with Björn)

user: calendar@piratetimes.net

pw: (in private channels, fb page, Lisa's KeePass db)

## 6) Other questions

Discuss how we will hold ourselves and others to agreements and promises that are being made. Work with the SMART system?

Josef will look into a polling plugin for PT so we can poll members (possibly from within articles). First would be on PPI -> not done yet but will check later.

Picture- and Video-Archives of events per nations?
